### Aspire Gymnastics

We are thrilled to announce the launch of our latest gymnastics program, Aspire! Aspire is designed for our recreational gymnasts who are eager to take their skills to the next level and challenge themselves in new ways.

This program offers increased hours of training and a focus on technique, learning new skills, and creating routines for each event. It is perfect for athletes who have been a part of our program and are looking for a new challenge.

Aspire provides a supportive and encouraging environment for gymnasts to grow and develop their abilities while having fun and building confidence. We believe that this program will help our athletes reach their full potential and achieve their gymnastics goals.

We want to thank you for your patience as we built this new program and we would like to offer you guys the first chance to secure your spot in Aspire. If your child is interested in joining Aspire, please register online through your portal starting on July 8<sup>th</sup> at 4pm. This program will not be opened on the website or be available to the public until July 15<sup>th</sup>.

Thank you for your continued support and dedication to our gym. We look forward to seeing you in Aspire!
